FOREIGN HIGH SCHOOL DIPLOMA CERTIFICATION

As does a high school diploma earned in the United States, a foreign secondary school diploma must document completion of a program that satisfies the issuing country's requirements for admission to undergraduate colleges and universities.

The attached document is a high school diploma or transcript for _____
Employee/Candidate Name

from _____ in _____
Name of School Province and Country

received _____ and is recognized in the issuing country as satisfying
Date of Graduation

the requirements for undergraduate admission to colleges and universities.

If printed in a language other than English, the literal translation states:

(Attach additional page(s) if necessary)

I attest to the truthfulness of the statements above and am aware that providing false information makes me subject to disqualification from current and/or future employment with Cypress School District and/or termination.
