

Mandated Reporter: Child Abuse & Neglect

Keenan SafeSchools is an online program that provides the District's employees with safety, regulatory and compliance training. Please note that you must complete the following online course prior to your start date.

To self-register, please go to your web browser and type:

<https://pylud-keenansafeschools.com/register/7978559d>

You will register by using your first initial, last name, plus the last four digits of your social security number.

The course is approximately 30 minutes long. Please print your certificate of completion and attach with all your employment documents/certifications.
