Brief School Description/Summary

Located in North Redondo Beach, Adams Middle School has been serving the community since 1955. A.M.S. receives students from four feeder elementary schools and has a current enrollment of 1000+ students.

Adams' population consists of students in grades 6th, 7th and 8th. As one of two middle schools in Redondo Beach, the A.M.S. community takes pride in its diversity and the excellent educational program it offers its students. The Adams mission is to provide a challenging and rigorous curriculum in a safe and positive environment where students can flourish.

The parents, students, faculty and support staff at A.M.S. are committed to the pursuit of excellence in all curricular endeavors, as well as the cultivation of individual student abilities while fostering citizenship in an empowering, healthy, and supportive environment.
